Iranian culture, except in the most superficial aspects of food and etiquette, is less well known to them. This is a pity, since the Bab, Bahá'u'lláh, `Abd al-Bahá, and Shoghi Effendi were all profoundly Iranian figures, though each in different ways, and can really only be fully understood in their Iranian contexts. The Iranian contexts in question, moreover, go back several thousand years. For ...

Produce is a staple of the Iranian diet, as evidenced by their seasonal street food. Fruit is the ultimate go-to snack and it's always offered to guests either before or after tea. While cucumbers aren't traditionally thought of as a fruit, that's exactly what you'll find in the bowl, neatly positioned by the pears, peaches, apricots and cherries. Now you know why that salt shaker is on the table. But technically,

That is why she tells her life story, and the changes she had to go through after the revolution, through her love for Jerry Lewis. The documentary is great as both an introduction to Persian culture and history and the phenomenon that is Jerry Lewis. A film that is so personal and at the same time universal is very difficult to achieve, but Saeed-Vafa pulls it off. It is a remarkable portrait of (and by) a remarkable woman.

Gypsies, through ongoing migrations and special life conditions, encountered cultures of different Iranian ethnic groups. For a long time, they transferred among those groups some forms of drama as well as some of their artistic features and techniques. Jahangir Nasri classified the effects of gypsies on Iranian drama as follows: «saving some forms of drama from oblivion, preserving some ancient local plays, maintaining and transferring many melodies and dances, aesthetic impacts and adding ...
