Maybe such words of joy, happiness and even sorrow are contagious. "Words are flying out like endless rain into a paper cup, They slither while they pass, they slip away across the universe." I think these words encourage the belief that such words of meaning and feeling, when spoken, can be passed on from person to the next just by the very sound of them and thoughts of them. The very idea that love or sorrow exists, allows for love or sorrow to actually be. Pass it on, those feelings and ...
