## [Beyond Criminology Taking Harm Seriously](#)

### **Beyond Criminology Taking Harm Seriously**

Beyond Criminology is an innovative, groundbreaking critique of the narrow focus of conventional criminology. The authors argue that crime forms only a small and often insignificant amount of the harm experienced by people. They show that, while custom and tradition play an important role in the perpetuation of some types of harm, many forms of harm are rooted in the inequalities and social divisions systematically produced in -- and by -- contemporary states. Exploring a range of topics ...

Jeffrey Reiman, Beyond Criminology: Taking Harm Seriously. Edited by Paddy Hillyard, Christina Pantazis, Steve Tombs and Dave Gordon (London: Pluto Press, 2004, x + 332pp. £17.99 pb, £55.00 hb), The British Journal of Criminology , Volume 46, Issue 2, March 2006, Pages 362-364, <https://doi.org/10.1093/bjc/azl018>

### **Beyond Criminology: Taking Harm Seriously. Edited by Paddy ...**

"Beyond Criminology" is an innovative, groundbreaking critique of conventional criminological approaches to social issues. The contributors make a broad analysis of social harm examining the theoretical issues, and then looking at harmful organisations, policies and experiences. Using this approach, the contributors show how social harm relates to social and economic inequalities that are the heart of the liberal state. Only once we have identified the causes of social harm, they argue, can ...

Following on from a number of conferences, we edited a book entitled: Beyond Criminology: Taking Crime Seriously (Hillyard et al, 2004). As well as developing a critique of criminology, it spelt out the advantages of taking a unified approach to the study of all types of harm that are likely to affect us in our lives and it explored a number of case studies raising a number of theoretical and ...
