# Blades Of The Old Empire Anna Kashina

## [Blades Of The Old Empire](#)

### **Blades Of The Old Empire**

Anna Kashina's Blades of the Old Empire narrates the story of a series of characters including Kara, one of the best mercenaries in the world. The book is a traditional fantasy novel, with swords, villains, good guys (who are somewhat naive at times), and touches of magic. Blades of the Old Empire had original themes and a promising storyline. I would have liked to get a glimpse of the entire world from the start, and not learn later on that this book is a sequel to the author's ...

Speaking of characters, you get a vast array from around the world represented in Blades of the Old Empire. You have some Eastern and Western cultures with a touch of the Old World mythological types and even some native peoples. Fascinating blend! Ayalla was my favorite character -- what an outfit! The political intrigue of bringing all these different peoples together is only going to get better in the coming books. We had the great taste of action with this introduction, but I feel more ...
