We've started building a wooden canoe for Peter. Peter has been canoeing and kayaking for forty years now. He started with his parents when he was 8 and is still very passionate about it. He is what you might call a discerning customer who knows exactly what he wants.

Building a wooden canoe | Freeranger Canoe

I believe this is a great building system for new or experienced canoe or kayak builders. With a stitch and glue bottom hull and a woodstrip deck, the Shearwater 17 kayak is easy to build and allows some creative freedom when stripping the deck of the boat. The kayak building videos presented below are listed in order of the building process.
