Carrots Sticks And Sermons Policy

Carrots, sticks, and Sermons proposes such a framework for the field and clearly shows how public policy instruments are classified, packaged, and chosen, while highlighting the role evaluation plays in the instruments-choice process. Carrots, Sticks, and Sermons offers a comprehensive analysis of categories and typologies of policy instruments. It classifies sticks, carrots, and sermons - or, more specifically, regulation, economic means, and information. Readers are offered a comparative ...

Carrots, sticks and sermons - Demos

Policy bodies that attempt to involve privately owned forests in their policy have financial (so-called carrots), regulative (sticks), and informational (sermons) instruments at their disposal. We questioned 405 private forest owners in Flanders, the northern region of Belgium, about their acceptance of these three instruments. An empirical typology that was based on six motivations and ...

Policy Instruments: Typologies and Theories | Carrots ...

The phrase "carrot and stick" is a metaphor for the use of a combination of reward and punishment to induce a desired behavior. In politics, "carrot or stick" sometimes refers to the realist concept of soft and hard power. The carrot in this context could be the promise of economic or diplomatic aid between nations, while the stick might be the threat of military action.
