Books that provide explanations for identification of Civil War artifacts are hard to find. This book is itself hard to find at a reasonable price, and does fill some holes. There are just so many other artifacts that could have been included. Still, very interesting and a great value when it was originally printed. Read more . Helpful. Comment Report abuse. Stacy. 4.0 out of 5 stars Four ...

Rare Civil War era stamp from the confederacy; this is a CSA #11 Keatinge and Ball designed blue Jefferson Davis Stamp. On February 4, 1861 the first 6 seceded states joined together to form the central government of the Confederate States of America with Jefferson Davis as the provisional president and Montgomery, Alabama as the capital city. The capital would later move to Richmond after the secession of Virginia. The actual war began on April 12, 1861 with the bombardment of Fort Sumter ...

Civil War apparel and uniforms. In the first battles of the Civil War, soldiers shot at their comrades because the clothes they wore made it difficult to distinguish one side from the other. Gradually, uniforms were standardized with the Union army wearing navy uniforms and the Confederates wearing gray. Metals, belt buckles, and buttons were emblazoned with symbols that identified the wearer as being part of the North or South. These pieces have become highly valued Civil War collectibles. ...

Texas Civil War Artifacts is the first comprehensive guide to the physical culture of Texas Civil War soldiers. Texas military equipment differs in a number of ways from the equipment produced for the eastern Confederate states. Most of the Texas-produced equipment was blacksmithed, or local-artisan made, and in many cases featured the Lone Star as a symbol of Texas. Contemporary Civil War literature frequently mentions that most soldiers of Texas displayed the Lone Star somewhere on their ...
