# Classic Typefaces American Type And Type Designers

## [Classic Typefaces American Type And](#)

### **Classic Typefaces American Type And**

The American Type Founders® Collection of digital fonts pays homage to the classic typefaces made famous by the American Type Founders Company. Reinterpreted and carefully crafted, the ATF® Collection offers more weights and widths, expanded character sets, and robust typographic features in type designs beautifully suited to modern use and media. From the printed page to the screen, the new ATF Collection brings a tradition of typographic richness to the digital era.

Some typefaces are considered useful solely at display sizes, and are known as display faces. Most effect typefaces are display types. Common features of display type include tighter default letter spacing, finer details and serifs, slightly more condensed letter shapes and larger differences between thick and thin strokes; many of these are most visible in serif designs. Many display ...
