Consciousness Studies: Cross-Cultural Perspectives ...

Although consciousness is embedded in all our experience and is considered basic to all our knowing, no one seems to know what exactly it is, and the concept is both widely used and much abused. For the better part of the twentieth century, the study of consciousness was viewed as unworthy of scholarly and scientific pursuit. Research has consequently suffered. This cross-cultural examination ...

Consciousness Studies: Cross-cultural Perspectives - K ...

With growing interest in Vedanta and Buddhism this book provides a cross-cultural perspective from which to build a rich background for presenting the most important feature of (human) life, namely 'consciousness'. A noticeable attraction of this book is its capacity to maintain rigor in a clear and simple style of writing.
