Meanwhile, huge U.S. corporations have allied with China's state-owned enterprises to destroy American manufacturing—and, ultimately and ironically, destroy themselves. It's an incredible and incredibly shameful story, and Death by China tells it all. But understanding the reality of China's assault on America is only the beginning. Leading economists Peter Navarro and Greg Autry offer a complete plan for surviving the global power shift China has already engineered—and halting the ...

Death by China is a first-hand look at how China is the greatest threat to America and why. It's discussed about how many Americans die daily from poisoned food, spiked drugs, toxic toys and more that all come from China. Many US Industries have partnered with China to get these items imported into the states at a fraction of the cost. Many jobs in the US have been disposed of because they can get the work done cheaper across seas.

"I've been long concerned about China's evolving military challenge to America and our allies, but Death by China reveals China's broader strategy of integrated advances on multiple fronts. The authors document how Beijing is using economic weapons of mercantilism and currency manipulation synergistically with espionage, cyber-warfare, space weapons, resource monopolization, and technology theft to gain dominance. In the process, the fundamental economic and geopolitical strengths ...
