Welcome to the HTML User's Interactive Workbook. You're about to embark on a unique learning experience, one that we hope will not only help you to learn to write HTML, but will also give you a complete understanding of how HTML is structured. Much like learning to repair an automobile, it's one thing to read about procedures in a book and answer questions about what you read. But it's another thing entirely to lift up the hood and dig right in, and you won't get to the other end ...
