Amazon.fr - In Their Own Voices: Transracial Adoptees Tell ...

In Their Own Voices is so important for anyone touched by transracial adoption- most specifically Black children in non-Black homes. It reads much like a textbook or research journal, so I did need to be in a different mindset to read it than reading other non-fiction books. While it is dated, the stories of adoptees are still very important and relevant to transracial families today.

In Their Own Voices: Transracial Adoptees Tell Their ...

In Their Own Voices Book Description: Nearly forty years after researchers first sought to determine the effects, if any, on children adopted by families whose racial or ethnic background differed from their own, the debate over transracial adoption continues.

In Their Own Voices | Columbia University Press

I confess/admit that part of the reason why this kindlebook that is In Their Own Voices: Transracial Adoptees Tell Their Stories by Rita Simon and Rhonda Boorda appealed to me is because I too was a transracial adoptee and I was curious about the stories of other transracial adoptees. My late adoptive mother was an American born woman of Caucasian descent with partial French Ancestry and my ...

In Their Own Voices: Transracial Adoptees Tell Their ...

In Their Own Voices Transracial Adoptees Tell Their Stories ... on children adopted by families whose racial or ethnic background differed from their own, the debate over transracial adoption continues. In this collection of interviews conducted with black and biracial young adults who were adopted by white parents, the authors present the personal stories of two dozen individuals who hail ...

In Their Own Voices - Transracial Adoptees Tell Their ...

Those of us who believe in transracial adoptions owe Ms. Simon and Ms. Roorda a continuing debt of gratitude. (Former Senator Howard M. Metzenbaum, author of the Multiethnic Placement Act of 1994) In Their Own Voices sheds light on a very complex and controversial debate. The debate would be richer and wiser if those who seek to defend or condemn transracial adoption read this book first. It should be required reading for anyone who is thinking of adopting or has adopted a child ...

In Their Own Voices: Transracial Adoptees Tell Their ...

In Their Own Voices sheds light on a very complex and controversial debate. The debate would be richer and wiser if those who seek to defend or condemn transracial

adoption read this book first. It should be required reading for anyone who is thinking of adopting or has adopted a child from another race.

In Their Own Voices: Transracial Adoptees Tell Their ...

In Their Own Voices does not take an ideological stand on transracial adoption. Rather, its major thrust is to provide a forum for black and mixedrace adults who were transracially adopted and who lived all their childhood and adolescence in white homes to tell their stories in their own words.

In Their Own Voices: Transracial Adoptees Tell Their ...

In Their Voices is a historical lesson in transracial adoption that adoptive parents shouldn't miss. It also provides a deep look at the policy and practices currently in place in the child welfare and domestic adoption system – these issues should also be deeply considered by the social workers, agencies, and others working in the adoption community.

In Their Own Voices: Transracial Adoptees Tell Their ...

In Their Own Voices is a well-written, powerful, honest and eye opening book about the lives of black and biracial individuals adopted into white families. For many who are for or against this type of adoption, especially in a racially divisive America, this book won't let you come to an easy conclusion about whether interracial adoption is good or bad for the adoptee or community involved. It challenges the reader to put aside his or her opinions and find the answers from ...
