What happens to people when every aspect of their lives and well-being is threatened? In *Lightning*, Danielle Steel tells the story of a family thrust into uncertainty and explores whether the bonds of love and marriage can withstand life's most unexpected bolts of lightning.

### **Lightning « Danielle Steel**

Although I normally find Danielle Steel's novels rather uninspiring, in this one she seemed to do a fairly decent job of depicting a woman facing breast cancer and the response of her husband, Sam. Alex Parker finds that what she thought was a near-perfect marriage began to show cracks and eventually falls apart when her husband cannot face the fact that she has cancer. Alex faces the battle ...
