Navigators Short Story Mike Meginnis

Best American Short Stories 2012 – “Navigators” by Mike Meginnis. As someone who caught the tail end of the NES-generation games, this story strikes a special chord for me. Told in limited third-person narration from Joshua’s point of view, “Navigators” details Joshua and his father’s experience playing a fictionalized video game called Legend of Silence.

Mike Meginnis’s short story “Navigators” is well-written and thought-provoking, and it is definitely one of the better stories in the BASS 2012 collection. Coming into the story, the prospect of a story about gaming was exciting, something I can finally relate to, and I left with thoughts much deeper than that.

Navigators | Fiction Writers Review

The Navigators is a wonderful short story about a single father and his son, as they bond over a strange video game, the likes of which they’ve never seen before. Mike Meginnis is another author I would likely never have stumbled upon without the LeVar Burton Reads Podcast. I loved this story. I loved the relationship between the two characters. I loved the concept of a video game that ...

Mike Meginnis | A Reading Writer

“Mike Meginnis writes with lasers. His prose is that exacting, that sharp. Every page feels crafted, shaped, almost perfect. Each sentence feels singular but also part of the whole, and the whole is something to behold. This book will unsettle you in all the best ways.” —

Nothing jumps to mind as a favorite. The more I think about it, the more Mike Meginnis’s “Navigators” stands out, in part cause I really love that story, in part cause it was in Best American Short Stories, so it’s easy to point to the anthologized thing as something that stands out. Also, I wasn’t only stoked for Mike to be in BASS, or for Hobart, but I thought it was extra rad just ...
