Amazon.fr - On Becoming A Professional Geographer by ...

"On Becoming a Professional Geographer explains the processes by which articles are written and published, grants are evaluated, and positions are filled. The book is a unique resource for socializing geography graduate students into the discipline and - more generally - the norms of academia as an institution. I use several chapters in my seminar for first-year graduate students, and the book invariably leads to thoughtful insight and lively discussion regarding the role of the geographer ...

On Becoming a Professional Geographer | Amazon.com.br
On Becoming a Professional Geographer is a book filled with practical and useful advice for graduate students as well as new faculty members. Chapters on different job opportunities provide a wellrounded perspective on various employment possibilities for geographers. Given the growth of GIS technology since this book's original publication, geographers' technical skills have opened up many more doors in private industry and government. Furthermore, I found the advice on writing and ...

On Becoming a Professional Geographer (review ...

The Canadian Geographer (TCG) is a peer-reviewed journal that publishes cutting edge geographic research with strong contemporary resonance. We welcome papers that challenge the status quo, promote social justice and address significant social, scientific and technical issues in Canada and globally. TCG is dedicated to enhancing the goals of the Canadian Association of Geographers. Articles ...

The Canadian Geographer / Le Géographe canadien - Wiley ...

On Becoming a Professional Geographer Martin S. Kenzer (editor). The Blackburn Press, Caldwell, NJ, 2000 (originally published in 1989) 211 pp. (ISBN 1-930665-17-2) Entering graduate school for the first time I remember thinking that I had joined some eccentric, secret society.

Project MUSE - On Becoming a Professional Geographer (review)

On Becoming a Professional Geographer was the right tool at the right time. Kenzer's collection provides a valuable introduction to a fundamental tool set for aspiring geographers. The first section of the book addresses many of the basic challenges for surviving and even prospering in graduate school. I would recommend these readings to anyone seriously interested in graduate education in geography - at least in North America. The second section concerns getting a job, including ...

Moving, settling and becoming: A conversation about mobility between two early career researchers. DOI reference: 10.1080/13673882.2018.00001003. By Rhiannon Pugh, Department of Social and Economic Geography, Uppsala University, Sweden and Elisa Thomas, Center for Innovation Research, Business School, University of Stavanger, Norway. Rhiannon Pugh and Elisa Thomas reflect on their experiences ...

Moving, settling and becoming: A conversation about ...

Dans les pays germanophones, l'évolution de la féminisation de la géographie universitaire au xxe siècle fait se succéder l'âge des « pionnières » à celui des « conquérantes », puis l'époque d'une présence féminine normalisée (quoique toujours minoritaire) dans les principales catégories professionnelles de la discipline, et du développement d'un féminisme ...
