Partnership And Profit In Medieval

Partnership and Profit in Medieval Islam Book Description: From the point of view of economic history, the ideal way to study any institution of commercial law would be to compare the information contained in legal codes and treatises with the material relating to its application in economic life as manifested by actual contracts, letters, and business records found in archives and other repositories.

Partnership and Profit in Medieval Islam on JSTOR

It is with the institutions of partnership and commenda in the early Islamic period, two of the qualitative components of trade, that Abraham L. Udovitch makes his primary focus in Partnership and Profit in Medieval Islam.

Search Tips. Phrase Searching You can use double quotes to search for a series of words in a particular order. For example, "World war II" (with quotes) will give more precise results than World war II (without quotes). Wildcard Searching If you want to search for multiple variations of a word, you can substitute a special symbol (called a "wildcard") for one or more letters.
