Personality Types Using The Enneagram

One of the things I like most about Personality Types: Using the Enneagram for Self-Discovery is that the authors give a detailed analysis of the different levels of emotional health within each enneatype. It turns out many named 'mental illnesses' are in fact the extreme end of a given enneatype's continuum. To name a few, unhealthy Twos are prone to munchausen by proxy, Threes psychopathy and Nines multiple personality disorder, while unhealthy Fives are routinely diagnosed with Aspergers ...

A geometric figure made of nine intersecting lines, the enneagram is thought by some to represent nine basic personality types. These types, as defined here, are the Reformer, Helper (Bill Cosby, Gandhi), Status Seeker (Gary Hart), Artist, Thinker, Loyalist (Joseph McCarthy, Johnny Carson), Generalist, Leader and Peacemaker. If you're a type seven with an eight wing (like Joan Collins), then you're very aggressive and have a strong ego to back your demands. The trouble with this system is ...

The Nine Enneagram Types: Reveal Your Genius Personality

So writes Don Riso in this expanded edition of his classic interpretation of the Enneagram, the ancient psychological system used to understand the human personality. In addition to updating the descriptions of the nine personality types, Personality Types, Revised greatly expands the accompanying guidelines and, for the first time, uncovers the Core Dynamics, or Levels of Development, within each type. This skeletal system provides far more information about the inner tension and movements ...

Personality Types: Using the Enneagram for Self-Discovery ...

The Enneagram is an ancient system for understanding basic personality types and their development and relationship to one another. Riso's book gives a thorough analysis of the personality types that encompass this system and how they mature and decline. I found this system enlightening and compelling and the analysis of the types using various developmental theories to be profound and deeply satisfying. In finding my own type in the system, and that of my significant others, I ...
