Founded in 1912, The University of Hong Kong is the leading and oldest tertiary institute in Hong Kong. In the early years, the University was host to four Faculties: Arts, Engineering, Medicine and Science. The late 1940's and the 1950's were characterized by the city's dramatic expansion due to emigration from China and the needs of the industry.

Restructuring of Industrial Space in Hong Kong: Government ...

Economic restructuring in Hong Kong is mainly due to the adoption of the 'open door' policy in China in 1978 which provided opportunities for Hong Kong manufacturers to establish plants in China. Not only has this had a major impact on the development of Hong Kong, it has also had an impact on urban planning.

Economic restructuring and land use planning in Hong Kong ...

As an entrepôt, Hong Kong had limited manufacturing development until the Second World War, when the development of manufacturing industries was discontinued due to the Japanese occupation. Manufacturing in the city revived after the War. The 1950s saw the city's transition from an entrepôt to a manufacturing-based economy.

Manufacturing in Hong Kong - Wikipedia

Whilst the Hong Kong government, judiciary and many in the private sector are gradually returning to 'business as usual' after a month long work from home, and limited public services, understandably many companies and businesses will be keeping a close eye on the risks which the coronavirus outbreak poses to business in Hong Kong, including management of insolvency risks in the coming months.
