### **Amazon.fr - Rethinking Sexuality - Foucault and Classical ...**

In this collection of provocative essays, historians and literary theorists assess the influence of Michel Foucault, particularly his History of Sexuality, on the study of classics. Foucault's famous work presents a bold theory of sexuality for both ancient and modern times, and yet until now it has remained under-explored and insufficiently analyzed. By bringing together the historical knowledge, philological skills, and theoretical perspectives of a wide range of scholars, this collection ...

Finally, Foucault's late turn to Stoicism and the philosophers of the Roman imperial period can be seen as a response to and criticism of the positions established by Lacan and Derrida. The Classics are not only relevant to understanding poststructuralist theory and philosophy, but actually define the terms of its debates.
