### **San Antonio (1972) - Chessgames.com**

San Antonio 1972 was either the strongest chess tournament ever played in the history of the United States or, if not the very strongest, then second only to New York 1924. What makes this book especially great is not merely was it a great tournament with great players, but that the players annotated some of their own games. In this day and age, there are millions of games in the chess ...
