### **Shame And Glory Of The Intellectuals by Peter Viereck**

The glory of the intellectuals was the firm moral stance they took against Nazism at a time when appeasement was the preferred path of many politicians; their shame lay in their failure to recognize the brutality of Stalinism to the extent of becoming apologists for or accomplices of its tyranny. In Viereck's view, this failure is rooted in an abandonment of humane values that he sees as a legacy of nineteenth-century romanticism and certain strands of modernist thought and aesthetics.

(3) The glory of twentieth-century liberal intellectuals is the vigor with which they took the only possible moral position towards the Nazi threat... (4) the shame of twentieth-century liberal intellectuals is their failure to expose and fight Stalinist totalitarianism with exactly the same vigor they showed against its brown-shirted version."
