She Who Waits Low Town

'She Who Waits' is the third instalment in Daniel Polansky's Low Town series, and seemingly rounds off this particular trilogy about the life of Warden. It's a thrilling and thoroughly enjoyable read that takes all the elements we've come to love about the series - grimy settings, disreputable characters, casual vice, fascinating flashbacks and wicked schemes - and multiplies them by ten to create a convoluted but fast-paced plot leading to an explosive and heart-stopping conclusion.
