gearsbox

A manual transmission, also known as a manual gearbox, a standard transmission, stick shift, or simply stick, or gearbox, is a type of transmission used in motor vehicle applications. It uses a driver-operated clutch, usually engaged and disengaged by a foot pedal or hand lever, for regulating torque transfer from the engine to the transmission; and a gear selector that can be operated by hands. A conventional 5- or 6-speed manual

transmission is often the standard equipment in a ...
