Amazon.com: Step One: Teach Yourself Violin Course: A ...

2.0 out of 5 stars Teach Yourself Violin (Step One) Reviewed in the United States on June 23, 2003 This book and accompanying CD is not for someone who knows absolutely nothing about a violin and reading music. The first pages of the book are good then it "jumps right into it" making you feel like something is missing.

Can you teach yourself how to play the violin? Can you learn to play the violin without a teacher? Look, whether you have a teacher or not: in violin playing (and music making in general) we're ALL self taught. If you have weekly lessons and practice daily: most of the time YOU will be the one correcting yourself and not your teacher.

However, I would definitely recommend this "Step One: Teach Yourself Violin" as a nice continuation to the Mel Bay video. There are many more lessons contained in this package plus many more scales which are important. The quality of the video is excellent, and while the presenter may not instill a party atmosphere she does present the lessons in a very professional manner. However, there isn ...
