Work-study students are paid the same wage as non-work-study students and can have the same responsibilities. The difference is simply in who is providing the funding. Work-study wages benefit the student. Earnings as a work-study student are specially reported on the following year's FAFSA. These earnings are excluded from calculations when determining the student's financial aid eligibility ...

18 Tips for Writing a Manual for Work. I'm one of those Hermione-types of people who read manuals. If I need to learn something, my first order of business is to read the manual. Give me a job manual, and I'll read by tomorrow morning. And if there is no manual or no instructions—I will write one. So, I suppose it shouldn't be a surprise that I found myself in the situation of creating ...
