Symbols Conflict And Identity Essays

This book investigates cultural and social identity in contemporary complex societies, focusing especially on Eastern Europe. Mach explains the role of symbols and symbolic forms in the relations between groups and the protection and development of their identities, especially ethnic identity. He places his study within the context of social order and the structure of power, using case studies which deal especially with the significance of politics, state rituals and national identity (Great ...

5Fora striking example of the latter, see James Clifford's (1988) essay "Identity in Mashpee." Likewise, Charles Taylor, after spending several pages of Sources of the Self: The Making of the Modern Identity explaining what he means by "identity," writes: "But in fact our identity is deeper and more many-sided than any of our possible articulations of it" (Taylor 1989, 29). 4. 6\Social identities are sets of meanings that an actor attributes to itself while it
