Alphafish is a smart technology company. We do IOT, software and hardware, but our passion is design and data. We believe technology should flow so seamlessly in our everyday lives that it seems invisible, and feels like magic. Our flagship product is a smart power strip that does not look like a smart power strip, but rather a home accessory - like a lamp, breadbox, or cable box. We also make augmented reality accessories - namely a gauntlet for hands-free AR gaming. Our headquarters are in ...
