### **The Bead Method Of Fretboard**

The BEAD Method™ is a revolutionary new way to understand the logic behind the guitar fretboard. There are many methods that rely on patterns of the guitar but BEAD Guitar™ relies on the unique tuning pattern of the guitar neck itself. In contrast you are provided with a true roadmap of the entire guitar neck. This book provides a unifying theory for understanding fret-notes, scales, modes and chords. By using this method you will be enabled to quickly find any note, chord or scale from ...

The BEAD method maps the fretboard in simple, easy-to-understand lessons that build upon each other. It's written in a fun style as though the author were actually sitting down with you personally. For me, this book is the equivalent of the Rosetta Stone because it unlocks the "secrets" of the guitar fretboard. Even great guitarists who

actually understand this stuff, usually can't explain it to someone else in a way that makes sense. That's the gift of Robert L. Dietz. He knows the ...

Pronounce the first four notes as the word BEAD and remember the next three with the mnemonic Get Carter For me (after the movie Get Carter). Finally repeat the first five note names but as flats Bb - Eb - Ab - Db - Gb. Now look at the notes on the fretboard again and see how this pattern appears across the strings. Find the B on the lowest string, then the E on the next string, the A etc and remember that this pattern follow the Five Fret Pattern so it shifts over to the right for ...
