Ronan Bennett sets his novel in the recent past, centering it in the Belgian Congo as that country is thrust into independence. It is an interesting setting and time, a battleground of conflicting ideologies. The colonial Belgians are on their way out, before they even realize it.

The Catastrophist - Ronan Bennett - Complete Review

The Catastrophist Ronan Bennett - coverage to date 'Bennett's writing is as lush and sensual as ripe mangoes. His characters are complex and sympathetic. The tone, which is perfectly pitched, and the exotic setting collude to evoke an era of colonial decadence'
