Demons ("Corelings" in Thesan or "Alagai" in Krasian) are strange magical beasts, roaming the land in search of prey. They have black ichor that serves as blood and are capable of magical feats with immense strength and healing. Steeped in mythology, little is actually known of the creatures beyond their desire to rend the flesh of the living, and fear of daylight. They are common throughout ...

In October, Peter V. Brett wrapped one of the most popular fantasy epics running with the release of The Core, the fifth book of the Demon Cycle. On the day the book came out, I'd never read a one of them. But binge-reading SFF is my favorite pastime, especially when it comes to series I've come to later than those in the know.
