The East Asian Challenge For

This book moves beyond the politicized rhetoric that has dogged the international debate on human rights to identify the more persuasive contributions by East Asian intellectuals. The editors of...

The East Asian Challenge for Human Rights - Google Books

'Drawing on Eastern and Western theories, histories, and contemporary experiences, The East Asian Challenge for Democracy is a searching, provocative, and above all open-minded exploration of meritocracy. By highlighting both strengths and weaknesses of meritocracy, this wide-ranging but well-integrated volume challenges everyone - from doctrinaire democrats to rigid meritocrats - to enter into a renewed conversation about political possibilities.'

the east asian challenge for democracy

The editors argue that critical intellectuals in East Asia have begun to chart a middle ground between the extremes of this argument, making particular headway in the areas of group rights and economic, social, and cultural (ethnic minority) rights. The chapters examine the following areas: critical perspectives on the Asian values debate; theoretical proposals for an improved international ...

Full E-book The East Asian Challenge for Human Rights ...

The East Asian Challenge for Human Rights shows that critical intellectuals in East Asia have begun to chart a middle ground between the extremes of the international debate on human rights, making particular headway in the areas of group rights and economic, social, and cultural (ethnic minority) rights. The chapters form a collective intellectual inquiry into the following areas: critical perspectives on the "Asian values" debate; theoretical proposals for an improved ...

The East Asian Challenge for Democracy: Political ...

The East Asian Challenge for Human Rights moves beyond the politicized rhetoric that has dogged this debate to identify the more persuasive contributions by East Asian intellectuals to the evolving international debate on human rights." "The editors of this book argue that critical intellectuals in East Asia have begun to chart a middle ground between the extreme, uncompromising ends of this argument."--BOOK JACKET.

The East Asian challenge for human rights / edited by ...

This typology is intended to clarify the "East Asian Challenge to Human Rights" and thus reduce the likelihood of "civilizational" conflict over human rights issues. It is a notable fact of the contemporary world that gross human rights violations tend to occur "off the record."

The East Asian Challenge to Human Rights: Reflections on

A new, perhaps more complex, challenge for developing Asia is how to confront rapidly rising inequality. The gap between Asia's rich and poor has widened alarmingly in the past two decades. In many countries, the richest 1% of households account for close to 10% of total consumption, and the top 5% account for more than 20%. The Gini coefficient, a measure of inequality, has increased in much of the region: taking developing Asia as a single unit, the Gini coefficient has increased from 39 ...

Asia's Challenges - OECD

Solving Asia's demographic dilemmas Most Asian countries face intractable demographic dilemmas. In much of East Asia, fertility has plummeted below replacement rates, populations are ageing, workforces declining and in Japan the population has begun falling. And yet governments are slow to react.
