### **Enclosure definition and meaning | Collins English Dictionary**

Enclosure was the legal process in England of consolidating small landholdings into larger farms since the 13th century. Once enclosed, use of the land became restricted and available only to the owner, and it ceased to be common land for communal use. In England and Wales the term is also used for the process that ended the ancient system of arable farming in open fields. Under enclosure, such land is fenced and deeded or entitled to one or more owners. The process of enclosure ...
