Understanding Second Language Learning Difficulties addresses these questions, demonstrating some of the insights, techniques, and skills needed to understand adult students who are having problems learning a second language. Author Madeline E. Ehrman provides a deep examination of the source of difficulty, taking into consideration such issues as learning styles, personality dispositions, motivation, learning strategies, self-efficacy, and anxiety.

Understanding Second Language Learning Difficulties | SAGE ...

The insights, techniques and skills needed to understand why some adult students have difficulties with learning a second language are presented in this book. The author's premise is that what appears on the surface is often not the real source of the learner's difficulty. A correct diagnosis of the cause of the problem is important if intervention is to prove effective. The book presents a large number of theories and models of learning, and covers areas including: learning styles and ...

Understanding Second Language Learning Difficulties

The book discusses in detail a variety of practical and theoretical issues in identifying and addressing second language learning problems. Intended primarily for classroom teachers working with late teenagers or adults, it focuses on learning styles, affective factors, and learning strategies. Real and composite case studies are presented throughout the text, and emphasis is on the teacher's role in identifying and solving problems. An introductory chapter explains the purpose and ...

Understanding Second Language Learning Difficulties CALL, MARY LEE SCOTT 1997-06-01 00:00:00 Madeline E. Ehrman. Thousand Oaks, CA: Sage, 1996. Pp. xvii + 346. Although much has been written on facilitating the process of second language acquisition (SLA), most often the focus is on the average or typical learner. In contrast, Ehrman's book provides insights on and techniques for understanding language learners who struggle. Based on her belief that many difficulties arise from con-
