Through interviews and case studies, Sohn illustrates how academic literacy empowers women in their homes, jobs, and communities, effectively disproving the Appalachian adage: "Whistlin' women and crowin' hens, always come to no good ends." Sohn situates the women's stories within the context of theory, self confidence, and place. She weaves the women's words with her own, relating voice to language, identity, and power. As the women move from silence to voice throughout and ...

""Whistlin' and Crowin' Women of Appalachia: Literacy Practices since College"" examines the power of women to rise above cultural constraints, complete their college degrees, assume positions of responsibility, and ultimately come to voice. Sohn, a born southerner and assimilated Appalachian who moved from the city more than thirty years ago, argues that an underclass of rural whites is being left out of multicultural conversations. She shares how her own search for identity in the academic ...

Whistlin' and Crowin' Women of Appalachia: Literacy Practices since College This article represents stories of eight former composition students, Appalachian work-ing class women, who move from silence in the academy to voice in their communities to a more self-confident identity without destroying the community from which they came. The author argues that compositionists need to consider the two-edged nature

Whistlin' and Crowin' Women of Appalachia

Katherine Kelleher Sohn's book Whistlin' and Crowin' Women of Appalachia: Literacy Practices since College uses case-studies to track the literacy development of three female Appalachian college graduates, all of whom are Sohn's former students. Sohn explores the varied ways that literacy can benefit women personally, professionally, and socially and extends her critical lens into the ways these Appalachian women's developing literacy can affect their families and culture. On a larger scale ...
