"Yantras of Womanlove, with it's seductive, multiple images of lesbian lovemaking that began their life as photographs and ended in a new beauty transcending it's parts, should break the shame-barrier screening women from the enjoyment of their bodies. As a victim of the old sexual repression, I welcome Tee Corinne's visual celebration of sexual joy and energy, the coming out of the hidden and ...

Yantras of Womanlove - anamorfosa.nl

Yantras of Womanlove: Diagrams of Energy was published in 1982 by the Naiad Press, one of the first publishing companies dedicated to the circulation of lesbian literature. Artist, lesbian activist, sex educator and counselor, author, editor, and archivist Tee Corinne claimed this compendium as being "about the spirituality of sexuality, the transcendence that can take place when making love to ourselves and to others." The publication comprises Corinne's oft kaleidoscopic and almost ...

Govinda Das Aghori YANTRAS

Yantras of Womanlove (1982) was the first book of lesbian erotic photographs ever published, and Corinne was at the forefront of the fight against censorship. Printers often refused to handle her work, and community art galleries sometimes declined to show it. The inclusiveness of her sex photographs also broke new ground. Fat women, women of color, and disabled women are presented to be gazed at with desire,

Corinne, Tee (1943-2006)

These yantras may be purchased commercially but seem to have little or no value unless prepared under strict guidelines by qualified Tantrik practitioners. The efficacy of mantra and vibrational healing also relates to the time of the day and year when the activity is commenced. Different phases of the Moon, Sun and planets determine the fruits of the activity of the mantra.

Specific yantras are traditionally associated with specific deities. Representations of the yantra in India have been considered to date back to 11,000-10,000 years BCE. [2] The Baghor stone, found in an upper- paleolithic context in the Son River valley, is considered the earliest example [3] by G.R. Sharma, who was involved in the excavation of the stone (it was dated to 25,000 - 20,000 BCE).

Harness the influential energy of the deities with yantras—geometric diagrams composed of shapes such as triangles, squares, circles, and lotus leaves, which often represent the energy fields of specific deities. Just as a mantra can be a verbal (or silent) tool for meditation, a yantra acts as a visual prop and comes in many forms—think wall art, postcards, and three-dimensional figures.
